AMARILLO COLLEGE | 2201 S. Washington St., Amarillo, TX
Union Building, 2nd Floor, Oak Room

Become the bridge between high school and college to support your students.

Learn about programs, support systems and services, and courses offered at AC! Meet professors and key leaders. Participants will receive mock student profiles and navigate registration and financial aid, the TSI, and course options by participating in mock classes for academic and work force tracks. Leave with experiences, resources, and contacts that will help you match students to the right place for success after high school.

***please select 1 counselor or teacher per district**

(Unless additional space becomes available.)

Reimbursement up to \$30 per district for travel/substitute expenses.
